

## MOUNTAIN PINE BEETLE—UPDATE # 11

### Spray Lake Sawmills Open House

Spray Lake Sawmills will be hosting an open house on February 1, 2007 in the Aspen Room of the Cochrane RancheHouse from 1:00 PM to 8:00 PM.

All interested parties are invited to come and join us for a viewing of the plans that have been developed to help combat the mountain pine beetle. Stand susceptibility to beetle attack has been a focus of the planning process but with recognition of other resource values. Your feedback would be appreciated.

Areas covered by these plans include the Jumping Pound, east and west Ghost.
